What is Payzone parking?

Payzone offers a range of cashless payment options for parking.

Pay online, with our mobile app, by SMS, phone call, or in one of our stores nationwide.

You can register for an account or complete a one-time transaction using your debit or credit card.

Why use Payzone?

No need for coins or a window ticket from the parking meter.

Get an SMS reminder 10 minutes before your parking expires.

Extend your parking duration without returning to your car.

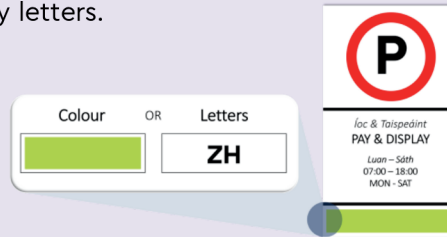

Locations

You can pay for parking with Payzone in 19 local authorities and more than 44 municipalities nationwide.

How it works

1 Check signage

Check local signage to confirm the zone you intend to park in, and any local parking restrictions. Zones are defined by colour or by letters.

2 Choose payment method

Pay online, with our mobile app, by SMS, phone call or one of our stores nationwide.

3 Wait for confirmation

Ensure that your parking transaction has been confirmed and that you are parked safely and legally.

4 SMS reminder

You have the option of getting a reminder 10 minutes before your parking expires - just in case you forget!

Parking enforcers check your vehicle registration on our system to see that you have paid.
